“ *My earliest memories in Madill Oklahoma was at apalani's house I just remember always being there in the summertime and more than anything I remember no one ever ever happened to ask him to spend the night he was always so open and so giving and so kind to people you just knew if you was there you could just go to sleep and you were going to be safe there. I love and I miss you so much uncle Lonnie. I'm his sister Jenny's oldest daughter Shantellee Watson.*
