“ You are going to be missed so much dad. I still can't believe you're gone. I keep thinking of funny jokes to text him. I will never forget the day before he passed, I walked into his room to ask if he wanted some coffee.. he said “oh I was just texting you!” And it was a joke... so instead of telling me the joke he made me wait for him to finish the joke via text.

In true dad fashion, the joke was perfect. I'm so glad I got to spend the past few months with you everyday. You are my dad and I am your girl. ❤️

“ Loren loved his family and most of all he loved and cherished his wife. His spirit will live on and he will remain a positive force and voice of reason for many.

I once heard a quote that I think is fitting for you Lisa and for the family to ponder regarding Loren.

"Some people come into our lives, leave footprints in our hearts, and we are never the same."

Rest in Peace Loren Ray Dame.
