“Lori was the most loving and loyal human being I’ve ever had the privilege of knowing. Lori and her family were next door neighbors to my dad in Denison Texas for most of my life. How do you replace a person as sweet as her?”

“Lori was such a talented, beautiful (in every way) person. She was so dear to me. I was blessed to have been her theatre teacher and have the pleasure of watching this gracious, gifted, young lady perform and capture the hearts of all that watched her. She was cherished by her friends and family. However, the love of her life, and the individual that brought joy and fulfillment to her heart was her precious son. I pray God wraps His loving arms around all her friends, family, and loved ones and comforts them during this very difficult time,
