“ *What a wonderful woman of God. Her smile radiated every room and she showed such kindness and friendship to everyone. Most of all, she loved Jesus and shared His love with others at every opportunity. I enjoyed working with her in the office at the US Army Corps of Engineers. She was so professional, intelligent, and provided the best service to the public. What a joy to know she is reunited with her love, Lester, and they are enjoying heaven together. It was a joy to know you Louise, Brande Serner*
