“ *Lowell worked with me at Denton State School for many years. We were a big family in Medical Services and helped each other get the job done. I could always depend on Lowell, completing jobs I didn't even know needed to be completed. We have been Facebook friends , since his retirement. I could always depend on him to post something thought provoking and with love of his family and his country . Rest in peace my dear friend. I wish miss you.

“ *Bill and I are so sorry for your loss. I will miss, most recently, his posts about the state of our country and his faith in God. Since I first met Lowell, I will always remember how hard he worked and how much he loved his family.*

I hope that the love and care of family and friends helps you through this sad time.
