“ *Lucy Ette was my Sunday school teacher for 2 or 3 years. She was a remarkable teacher. Sister Glynda I know you are going to miss her terribly. She was one of a kind. My deepest condolences to her step children. They could never find one as sweet as Lucy. I'm sure there is a place being prepared for her in heaven.*

“ Lucy Ette was such a sweet kind lady. When I was little she always encouraged me to sing out loud in church. I just had my 30th high school reunion and I still have the beautiful earrings she gave me for a gift. I'll treasure them always !

“ Lucy Ette was a selfless person, always devoted to family and community. She was in our home often, as she was a close friend to my aunt, her sister-in-law, Lucille Ayres Murray. I remember phoning Lucy when I was a girl, as I helped aunt Lu call the church ladies to help with singing for weddings and funerals, and to prepare food for the families. In later years, when aunt Lu was home-bound, Lucy never failed to visit, bringing favorite cakes, pies or casseroles at birthdays and holidays. I also know that aunt Lu was not the only one on Lucy's list. She was a truly good person, and will be missed by all.
