“ *My mom, also, was a friend of Lucy's. They were very near lifelong friends. My mom just passed in December. My mom was Jo Ann Bellamy Bronsema Wesberry. I've heard Lucy's name mentioned fondly all of my life. I remember visiting with her when we would encounter her. She was always so dignified, sweet and friendly. Prayers to the family, I know you will miss her!*

“ *Lucy was a good soul, always invoked with caring for others. I first became acquainted with Lucy through her son's in the DHS band. Later, my mother, Chrystelle Brown Roberts, worked in the Treasurer's office with her during Hoy Sinor's terms of office. After several more years, I became more personally acquainted as I moved into the Treasurer's office during Sandra Mazzone's terms. Lucy was a source of knowledge and a friend and encouragement to me for the next several years after I became first deputy, and a cheerleader as I became Treasurer. She will be missed by many, least of all me. Love to her family, and prayers are with you. Nancy Brown Conner.*
