“ *Such a sweet and loving person who will be missed by many. You took me under your wing like a mother hen when I started work at Lake Texoma Lodge and always watched over me and became someone special to me. Anytime after that when I would see you, you always made it a point to smile and say hi. I will never forget you. Thank you for your friendship. Prayers for your family.*

“ *Jaquita, Tina, Rocky, Janell and family: I am so sorry for your loss. All of you guys hold a special place in our hearts and memories. You were a huge part of our lives growing up in Kingston. We all grow apart and go our separate ways, but we are all tied to our memories . . . and oh what memories! We love you guys! We pray that God will give you peace and comfort through this trying time. Please let us know if there is anything we can do to help.*
