My sincere condolences to Lynda's family for this loss. I have known Lynda since grade school. What a privilege to have a friend like her. A hard worker and a fun person to be around. Our memories are something to hold on to.

Ms Lynda will be missed. She always had a smile on her face and dressed so beautifully when she came to church or if she was out & about. She was a classy lady. Her crystal looking cane totally fascinated my granddaughter and she always let her touch it and ooh & awe over it & bring her Kleenex during church whether she needed it or not. Now she will not be falling anymore & can walk or dance around up in heaven. Rest in Peace Ms. Lynda you were truly one of a kind.
