“ Dearest Silva,

*Words cannot express the sorrow I feel for the loss of your son. I am so-o-o sorry!*

*I have thought of you many times over the years and remember you being there for me when Penny & Leroy died. You were my saving grace back then but I never expressed how much it meant then and now. I only wish that I could carry some of the pain you are feeling at this moment. Know that I love you and that you and your family will be in my prayers. Being at such a great distance from you keeps me from really being there for you but, if you ever need to talk, please, feel free to contact me anytime, day or night.*

*With Great Love and Sympathy,*

*Darus "Ann" Terrell*
