“ *David, Looking at the photo of Madona in her biography, you can see those beautiful eyes and smile that she so often shared with everyone. We have happy memories of the time we got to share with her at Casa Del Sol and the Samborees. We regret that we did not get to attend the celebration of her life as Bob fell and broke his collar bone, so traveling and driving is impossible right now. But, we wanted you to know our thoughts and prayers are with you and your family. Bob & Barbara Randall*
