My life will never be the same without you. 46 years of a special friendship that spanned between us. You will forever be often on my mind and always in my heart.

“ *Marianne, I have thought of you so many times since our last outing together. Our usual, lunch and movie. We drifted apart as changes in our lives took us in different directions. My sister Cathy and I spoke about the three of us at SF together. I decided then I wanted to know what was going on with you and decided to search. What I found broke my heart. Another sister gone. We may not have shared blood, but in my heart; you were a true sister. Over 15 years. Movies, lunches, shopping, gossip, our language we made up because we were in such a hurry to talk; the words merged crazily. And we laughed. Oh how we laughed. You were the best friend/sister I ever had in this world. I hope you will be again we meet again in the next. I love and miss you sister. Lisa*
