“ *I was so happy and lucky to have met Marilyn 11 an half years ago. I will miss her dearly! She was a wonderful, loving and caring person. She loved her the residents and her family so much that she gave it her all to make everyone happy. Her heart was full of love for everyone she met and then some. Marilyn, you will always be in my heart. I will miss you but will keep you in my heart of all the memories we shared together. You were an Angel on earth, now you are An Angel in Heaven. Till we meet again, my Friend! R.I.P*
