“ I'm so sorry to hear the news of Marty's passing. I've known him for a very long time and have always enjoyed talking with him. As a fellow drummer, I respected his music abilities as I'm sure all the musicians and friends he was in the presence of did so too. He was a great person and good friend. His life was too short, but I feel his willingness to give so much will continue forever. I will remember Marty as I knew him. My sincere condolences to the family in your time of need.
