“ *Jim Bob and Davey,*

*Please know that my love and prayers are with you; and will continue to be with you in the days and months ahead.*

*Your mother was a precious lady. She loved you both so very much.*

*I will always cherish her friendship and the memories we shared as we watched our precious boys grow up to become fine young men.*

*If I can help either of you, in any way, night or day, please let me know.*

*I LOVE YOU BOTH,*

“ *Mary Ann and I have been friends for 47 years. When we were together, it was like we were teenagers again, laughing and joking and enjoying one another. We loved sharing pictures of our families. Mary Ann was so proud of Jim Bob and Davy. I will miss her greatly.*
