“ *My dear friend has left this earth but not my heart and memory. I treasure all the wonderful times we shared. Together we went to school, dated our high school sweethearts whom we married; gave birth to our sons only one month apart; went through divorce at the same time; and struggled through many of life's challenges - all the while remaining best of friends. I will never forget her wonderful spirit and loving character. She was the BEST. She's at peace with God now.*

“ You were my confidant, my nurse, my friend. I'm so glad we reconnected, even if it was long-distance. You brought enlightenment and joy to everyone knew and like mine, I know hearts are heavy at your passing. My love and prayers to Mike, he was a fortunate son to have Mom like you. God bless and keep you.

“ I am deeply saddened by the loss of Mary. She was very kind and thoughtful. I worked with her for a number of years in the health care profession. She always was supportive and a true friend. She will be greatly missed. Our lives is truly Blessed by knowing and sharing her friendship. My prayers are with each of you. She spoke of how blessed she was to have such a loving family and friends to surround her. May God heal your hearts and our Great Comforter hear our prayers as you remember the great and wonderful times you shared.

“ *Mary was someone who had a heart of gold. Her soft spot was defiantly with the animals. I met Mary when I needed a rescue myself and she did not think twice to take myself and my two furry friends in for a short time. I will never forget the kindness she showed me. She will be missed.*
