moma, im so sorry i wasnt there but i KNOW youre watching from heaven and i hope youre no longer in pain. i wish we had taken your pain seriously. i miss those days when we would lay in your bed listening to patsy cline and you telling me about the good ol days.

“ *Mom, not a day goes by that I dont think about you. It makes me so sad to think about all the time we missed years ago but so thankful for the last 6 months of your life that you were home close to me. I love you and miss you.*

Momma it's been so long ago but it still feels like yesterday. I miss you all the time and I wish I could have you here to to talk to. I need you so often, but I know that you aren't far away and I will see you again soon. I love you ❤️
