“ *Kristin,*

My heart aches for your loss. I'm holding the memories of your Mother very dear. She was always so good to me when I came over to visit or when we were going to "Drag Main". Always full of encouragement and a big smile on her face.

“ *I've known Sue since 1974 when we were both in Newcomers Club. We worked together on many projects, worked through our divorces at the same time, Did some fun stuff and she taught me a lot about men! I will miss our talks so much. We could discuss just about anything (but politics) without judgement. Now you and Jim can go to Dallas for the romantic weekend you always enjoyed. I will miss you, dear Sue, a true romantic (think Scarlett O'Hara) and the last of the "Southern Belles".*

“ I am sorry to hear about the loss of such a wonderful lady. Sue has a special place in my heart as I have known her for many years. Growing up at the Durant Country Club, I got to know Jim and of course Sue. Sue actually helped me get my first job by talking to the manager at Winn Dixie. It was always an honor to carry her groceries to her car and to visit with her. The world is losing a truly wonderful and remarkable lady. My thoughts and prayers to the family.

“ Kristin, So sorry to hear about your Mom. She and Jim were great friends of mine and especially my parents. I spoke to her during the time my Dad passed last July and she was so nice. Though unable to attend the service, she sent my mother her deepest condolences and offered to do what she could. She will be missed by all who knew her. May the Lord bless you and your family.
