“ God looked around his garden and found a special place, he looked down on the earth and he saw your tired face. He put his arms around you and lifted you to rest, God's garden must be beautiful, he always takes the best. He know that you were suffering, he knew you were in pain, he knew that you would never get well on earth again. He saw that the road was getting tough and the hills were hard to climb, so he closed your weary eyelids and whispered "peace be thine"

*It broke out hearts to lose you but you didn't go alone, for part of us went with you, the day God took you home.*

*Show the angels how to skate Matt. You were loved by many and will surely be missed.*

*Judith Rathmell and family and skateboarders.*
