“ *Life is funny
Some days I'm okay
But days like today
I am not
I'm missing you more than you will ever even imagine
Your dad misses you
He is so broken without you , his only child
He says he cries driving down the road
We miss you so much Matt*

“ *Oh Matt
The pain of losing you is unbearable for me and for your father
I know you did not leave us to hurt us but to leave your pain behind
I will spend everyday every second of my life missing you and yet at
the same time feeling guilty because I'd do not help you more
I love you Matt*

“ Matt was the cousin I thought of when we were kids going to visit gran. He was so much fun growing up and worked so hard. I regret the scarcity of our conversations.

May he find the peace he was looking for.
