

## McHenry Dyer Cates

May 21, 2018 - May 21, 2018

McHenry Dyer Cates was born to Logan and Summer Cates at 6:45pm, May 21st and lived to be 17 weeks old.

A precious little heart which will never be forgotten, and will always be special to those who longed to meet him and who had prepared to help him grow up knowing the Lord.

He has passed the beautiful garden of this earth and peacefully delivered straight to the side of the Savior.

McHenry will be greeted one day by his mother, Summer, His dad, Logan, His oldest brother Southern, brother Tucker, sister Oakley, and little brother Noble.

It is our prayer that McHenry Dyer Cates may rest in peace at the constant loving care of the Lord. We will see you soon boy.

In Him, Logan and Summer Cates and family
