“ *It's been a month since I last was able to see you. You look beautiful. Browns did wonderful taking care of you. I miss you everyday. I miss calling you when I get off work and when when I'm driving to the beach. I'm at ease tho, that you are now happy and with daddy. Prince Albert is with Jo, like you wanted and doing great. I listen to your voice messages and smile and cry. What a treasure that I have them. I love you mother and miss you everyday.*

“ *Curt, Whitney, Jamie and Britney, I am so sorry to learn of your mother's passing. There's a special place in all of our hearts for our mothers, just like there's a special place in every mother's heart for her children. You must continue to carry her memory in that special place in your heart. I know that she would want all of you to come together and honor her memory by supporting and caring for each other during this difficult time. I am sincerely sorry for the loss of your mother. Prayers of love and comfort to each of you and your family.*

“ I love you Aunt Mearlene. I know that I promised you I would come and spend some time with you when I got back to Okla but I only got here 3 days before you passed. So glad that we had spent hours and hours talking in the past few weeks. You get things lined out in Heaven for me and we will have plenty of time to spend together when I get there. Give Uncle Don and Rob a big hug from me. Love you.
