“ *Rooster and family, I'm very sorry to hear about Merle. He had the biggest heart and will be truly missed. I loved talking to Merle and hearing all his stories he had to tell. My thoughts and prayers are with you.*

“ *I was so sorry to hear that Merle Gene had passed away, but glad that he was able to be at the reunion on Saturday and visit with people. He had really looked forward to it, and to Mackie making him a blackberry cobbler. I know your hearts are heavy with grief, but take comfort that he is no longer sick and in pain. You all are in my thoughts and prayers.*

With love,

Candis
