“ *Michael was more than a business associate. He was someone who always stepped above and beyond for whoever needed his assistance. Even the times when people tried to get the best of him, he was always patient and kind. He is one that has touched my life, and the lives of many others. He is a man I can honestly call friend, and I will miss him and our conversations together. Peace to all whose lives were affected by him.*

“ *Michael was Always very polite and eager to help anytime I went into Lowes or saw him out of Lowes. One day he saw me eating by myself at a restaurant picked his food up and came to sit with me so that I would not be alone. That is just the type of person he was and always had a smile on his face. He will be missed*
