“ *To my precious family, I love you all so much, I grew up with Michae,I Robert Terry,William,Ralph,Lois Ann, Ivie,I have many fond memories of my cousins ,some were good some were not funnie but we learned from them, pranks lol.i loved them so much they were closer to my age than my siblings, Bruce was 14 when I was born, Shirley 12 years older, Elly 10 years older,I was a spoiled brat,but very loved,I think God for my very special family, I loved Aunt Susie almost as much as my Mom, never knew anyone that did not love her and think she was a special lady, we sure went thru a lot of heartache with the alcoholics in our family but God helped us overcome and thrive. Be good to Ivie it is so hard to lose all your siblings and outlive them, give her lots and lots of Huggs and love. So sorry for your loss but heaven has another angel, I so look forward to seeing them all again I miss them all so very much, May God put his arms around you all comfort and give you peace.
