“ I had Michael in Kindergarten, he was the cutest, sweetest, quietest little boy. He may have been quiet, but he always had a grin on that sweet face. He was so pleasant and easy going. I had the privilege of teaching his oldest child Bentlee too. He reminded me so much of his dad. It was crazy how they were so much alike. They both had that cute grin on their face all the time. I taught sister Brittany as well. I am praying for you all, may God give you comfort & healing! - Love & Prayers, Mrs. (Amy) Scott
