“ Dear Cousin,
I can't believe this is real. I'm sorry we hadn't talked in a while, and that this is how I'm having to say goodbye. Your presence, your soul, and the space you filled in this world will be forever missed.

Memories of our childhood and the times we shared keep rushing back to me, like a picture book flipping through my mind, page by page. I hold onto every laugh, every moment, every piece of you that lives in my heart.

I take comfort in knowing you're with Mamaw and Papaw now safe, loved, and at peace until the day we meet again. I will always remember your feisty, vivacious spirit, the fire you carried, and the love you gave so freely.

Rest peacefully, my beloved cousin. You are deeply loved, and you will never be forgotten. ❤️
