“ Mindy was the sweetest person that I was so blessed to in my life. We had some good times together, she always made me laugh something that very few people can do. Mindy told me that she loved me every time that we seen each other and that's something that made me feel special. I will always cherish Mindy and will never forget how beautiful she was and is both inside and out. The world lost one hell of a person. I love you Mindy, always! Lisa Jordan
