“ *Linda, I am so sorry I couldn't come to the funeral. I had just got out of the hospital the morning of funeral. My thoughts and prayers are with you, I know it will be hard on you for a while, but never out of your heart. He is having fun with all of his family, they are laughing and hugging each other that is a good thought. I know it is sad for you but, you know he loved you so much and loved you being with you all the time.*
