“ *I am so sorry for the loss of this very special Lady, she will be greatly missed. Carolyn I know at this time there is an empty place in your heart but as time goes by it won't be empty it will be filled with memories of all the great things you have done together, funny sayings, smiles, and also heartbreak. When it seems like there is no one to talk to just remember your sweet mama in you heart. Love Blessings are sent your way.*

“ *What can I say? For as long as I can remember Myrtle Fay has been a part of my life. Church function, school function, family events. From Sunday School, to being the mother-in-law to one of my closest friends. She was a totally awesome Christian lady and I say that with the most humble respect. I loved her dearly and wish the Grace of God to Bless her family in this time of great sorrow. I love you all.*
