“ Mark & Cheryl - I am so very sorry to know that your Mom will not waving at me anymore when I would see her outside as I drove past her cute little house. She was always so sweet & had something nice to say no matter what was going on. We worried about her anytime her pickup was not at home for more that a day. Since Covid I did not get down to her house to visit like I should have & I regret that. My son Matt loved to stop & visit with her when he was riding his bike when he was growing up. Had to track him down several times to her house where he was entertaining her with some story or another or asking her a million questions. She was always willing to listen to him even if he was keeping her from doing something. Both of my uncles, Erwin & Frank Nix, had coffee nearly every day with her when they were both still alive. Such a sweet lady. She will be missed. You are all not only in my thoughts & prayers but also those of our church, Calera United Methodist. 🙏
