“ *Nancy,*

*You were such a sweet and innocent child. You and I went to school together many years ago. It's sad to know that you've passed. I hope you had a good life.*

“ *It is a small world. When I first met Nancy was when I was 18. She was living in Calera Nursing home. I was one of her providers at the time. I asked her if she was kin to David Berghauser she said yes thats my nephew. She said why I said well I went to school with him many years. SHe was smiling and frienly to me. I sometimes think I was her family too. I will deeply miss her. Her family is in my prayers.*
