*“ I'm so sorry to see this, I just seen his obit when I logged online to browns website. I'm in shock seeing this, Nathan was such a great friend to anyone that met him and anyone around him had nothing but a smile on their face the whole time. He sure knew how to make someone smile and laugh... I hope to meet him again one day when we are all flying in the sky. I graduated a year before him and he still was such an amazing person. I'm sorry for the loss to his family ...*
