“ *Paul and I extend our deepest sympathies for your loss. Neoma was always a ray of sunshine and full of smiles. I loved her southern “sayings” such as “I’m so hungry I could eat an entire leopard and not leave a spot!” Wish I could have a book of her famous comments. Neoma’s entire family will be in our prayers with our love ❤️*

“ *Tony and Mary - Our deepest sympathy to all during this difficult time. Neoma leaves all who had the privilege to know her and call her friend a sadness of saying good bye and missing her beautiful smile. She was always so much fun to be around. Dales fondest memory was when we were telling her about his Dad as they were close in age and, she asked if he still drove a car. She was one classy lady that truly loved her family. Prayers your many memories will give you comfort and strength during this difficult time. Our love and sympathy. Gayle Storck and Dale Washburn*
