“ *I was so saddened to hear of Blake's passing today (02/25/2024). I will miss his sense of humor - he never failed to make me laugh. He was a man who truly cared for others and possessed old-fashioned manners that are rarely seen today. May he be at peace with the angels...and keeping them laughing*

“ I have many memories of Blake as he was married to my cousin Debbie for a long time but the one that stands out the most was the time Deb and I went on a vacation together and Blake made us stop by his place before we left so he could make sure we were “Good to Go”. Blake will be missed by many especially his kids and grandkids, my prayers are with you all during this difficult time. I love you all
