“ Spending time with Grandma Nora and the family each weekend in the spring and summer at Mountain Lake, and during the fall at their home in Lane, is a dearly held childhood memory. Being around her sparked my sense of wonder and adventure. Everything about her presence was calming.
I'll miss you always, Grandma. Wishing you eternal rest and peace.

I remember being at their house somewhere in okc or maybe Del City as a young boy and playing the game operation with the young girl that was there. I always have such fond memories of her and Jim when I'm at mountain lake. Honestly the lake experience has not even close since they retired from there. Rest in piece Aunt Nora.... Tell Jim and the boys hi.

When I was younger I remember asking my Mother of Aunt Nora and My Jim were movie stars. She was so beautiful and such an inspiration to me. I treasured getting to take care of her. I told her she was one of the toughest women I ever knew. She lost her whole family in 3 yrs. They are all back together again. Love you Aunt Nora ❤️
