“ Brenda,

I feel for you right now because I went thru these 11 months ago with losing my mother who lived with me and we were the closest mother & daughter ever. Please remember the we all pass thru life on to our destination with our Lord. Although it is very hard losing our parents, remember all the good times, the laughter and the tears. It is all part of life. Take care and call me if you need to talk. 469-450-8710. Myra Morales
