“ *You were Always there for me and my mom. Truly one of the best friends I've ever had or ever will have. Funnest, most positive person I've ever known. Always smiling and I hear your laugh as I write this. :). I have a lot of stories of my partner in crime and fun. I've been thinking about all of those times lately and I wouldn't trade them for anything. Thank you for all you've done for me and my family and ALWAYS making me laugh, even when things weren't so great. You are one of a kind. I cannot believe you're gone. You will be in my heart and memories forever. God speed sweet friend.*
