“ *Sister Pam,*

You were one special lady! You have been here for my family in so many different ways over the years. Always with your loving and understanding spirit, never judging and putting down. Your love was unconditional. My girls, Heather and Holly was so blessed by you and I am glad to know that through you, they know how a true Christian Woman walks. Your life was beautiful.

Your pain is gone and your journey is over God has a very special Angel that has come home.

Praying for the family for the loss, and pain that they are going through.

“ We are saddened to hear the news of your mother's passing. As I read about how much she loved sharing God's message, I thought about how inspiring it is to hear of people who live life to the fullest and lead others to the Light....the world can never have enough of them. Please pass along our condolences to the rest of your family. Our healing thoughts are with you all.
