“ I met Pam in 1973. I had a baby of 3 months and daughter of 2 1/2 yrs. As a mother of 2 young children, I spent quiet time sitting on the steps of our apartment complex. That's where I met Pam. We became quick friends pouring out our problems to each other and then laughing about our witty comments on the subjects. Pam was responsible for helping me escape from a violent marriage. I wasn't strong enough to have done it without her. She was my rock. For 48 years we remained good friends.

I remember spending days of giving each other perms in our hair while drinking wine or mixed drinks. We always made a mess and always ended up having to get our hair cut after our attempt to save money. We spent a Christmas season 1 year making fur coats for Cabbage Patch Dolls. We had so many orders to fill that when we finished we never wanted to see another Cabbage Patch doll again. We made good money to spend on Christmas that year.

As time went by, we didn't get to see each other that much but we kept in touch. We were there for each other when we needed to talk. We would pick up a conversation just like we had spoken the day before. We always either called or texted on birthdays and Christmas. I texted on her birthday this year and received an odd response from my phone. I got a strange feeling about the response so my husband looked up on the internet and found that Pam had passed. I miss her so much and I have a hole in my heart knowing she is not with us any longer. I do know however, that she is looking down on us smiling. I love you Pam. My thoughts and prayers go out to Dick, Raelye and Keith.

“ *Ma Pam will truly be missed by our family. She was my friend, my adopted mom and my confidant. I will miss being able to go down the road and sit with her on the porch and shoot the breeze with her. Her and her husband were the first to welcome us to the community. Sending my love and blessings to the family.*
