“ *Scott, Kevin, & JonJon,
I am so sorry to hear of the passing of Trish. I know you loved her very much and will miss her all the more. As the days grow into weeks, months, and years just trust in the Lord. I still do not understand the losses we endure in this life but we must turn to the Creator of life in times like these. Scott, I truly know what it feels like to lose the most important person in your life. My prayers are with you and your boys. No matter what we endure in this life we must depend upon the one who loves us more than life itself. Be of good courage and may God give you strength in the days ahead.*

*May God Bless,
Uncle Dan*

“ *To my friend who believed that no one ever makes mistakes. Her belief was that every decision you make in life, even though you might later see your decion was a mistake, it's now an an opportunity to learn. When I have shared with her my many mistakes, she always told me, "Cynthia, you did what you thought was right at the time. Now, you can only grow and get stronger'. She has taught me to forgive myself. For that I am so grateful. What a treasure she has been to me. One that I will greatly miss.*
