“ Patsy was an incredible loving woman. She never met a stranger and never gave less than her all to everyone she met. She helped me and many like me through a very rough time in our lives. I was blessed by knowing her and her amazing family. I love all of you and wish I could be there in your time of grief. Know my thoughts and prayers are with each and every one of you. God received an angel. She will always have a very special place in my heart.
