“ *My Sister--- Because you were ill, you were like a withering flower, but now you are on heavenly grounds with lively flowers all around. I will miss you very much and talk to you everyday. While I can not go now, I know we will see each other again one day.*

*Love your sister, Carolyn*

“ *While my aunt Pat was sick for a while, she was always very good to my mom and was as happy as she could be, given the circumstances.... I came along much later in life, but I am sure Patsy was a hoot!! While this is a sad time, I am sure she is thankful to not be in pain and now has the best quality of life in the arms of Out Lord and Savior. Till we see each other again Aunt Pat,*

*Your Niece,*

“ You are in my thoughts and prayers.. My fondest memories of Patsy are of her beloved Mustang.. She loved giving "the little kids" rides.. She will be missed.
