“ *My memories of a Doctor, that truly cared for people. I met Dr Pat in 1969, at the age of 10. He truly took care of me with for many years, along with giving care to many family members, I was not ready for him to retire, but I had to accept something that it was time for him to rest and enjoy life. Unfortunately I have not found a doctor like him that gave his life to healing people and his heart to heal the soul. I miss you Dr Pat, may you R.I.P.*

“ I met Dr. Pat in 1966 when I was 14. My parents and I moved to OKC from Waco. He was the most wonderful doctor and became great friends with my parents, Bob and LaMoyne Mitchell. He was there when my mom died and cared for my dad when he got Alzheimers. My dad then lived in Denison, TX and went to Tishamingo because he trusted "Dr. Pat". I admired him so much that when I had my son 2/17/73 I used Dr. Pats middle name "Dean". He was an awesome gentleman and caring Doctor. This world was a better place with him in it and will be a sadder place with him gone but I know hes in heaven smiling down on his lived ones. Rest in peace Dr. Pat.

“ First met Dr. Patz. in the early 1980's. He became my primary care physician. His was in Quail Creek in OKC. I always knew I found a good "Doc" and a better friend.

*I followed him to Bethany at the Gilbert Medical Clinic until he moved his practice to Southern Oklahoma. They don't make doctors like they used to. Dr. Patz. was a champion for his patients'.*

*He and I talked about race horses, quail hunting, and OU Football.*

*Being from Fairview in Northwestern Oklahoma Dr. Patz. learned to enjoy the great Quail hunting in the area. On occasion we hunted Quail near the Cimarron River near Fairview in the same fields he had hunted as a young man. The hunts for bobwhite were great.*

*A real genuine good doctor and friend. God Bless Dr. Paul Patzkowsky and his family.*
