“ *I would like to express my sincere sympathy to the family of Paula. Although I never had the opportunity to meet her personally, I wanted to share with you a hope regarding God's promise of a resurrection that we will have similar to that of Lazarus at John 11. He wants us to be able to see and enjoy the company of our loved ones again in a healthy condition (Isaiah 33:28) for countless generations of time. He promises a time very soon where no family will ever have to mourn the death of a loved ever again. Revelation 21:4. May God himself grant you great peace and comfort now during this grievous time.*
