“ *Peggy was the first babysitter I ever had. I have fond memories of cartopns, clothes to run around. I hope each of you may find the peace that passes all understanding. I love you all and would love to make the trip back home to see you all and give you hugs.*

“Peggy was a precious friend. We got acquainted when we were young mothers and our children were just babies. She went out of her way to help her family and friends. Peggy watched my older daughter when I was in the hospital for the birth of our second child. I'll never forget her dark hair, her sparkling eyes and that smile. Peggy, you will be remembered.

Peggy was such a special person to our family. Our children and grandchildren became like family to Jerry and Peggy when I worked in Durant and Denison. She will be greatly missed. My love and prayers.

Peggy was my granddaughter's aide for two years at Robert E. Lee. She was a kind, caring and loving person. My granddaughter was only three at the time, but she loved "Miss Peggy". A person that shows love and compassion to children in my book is a great individual. "Miss Peggy" was the greatest.

We were fortunate to have Peggy take care of our two oldest boys when I taught at Calera. They were treated like family and I never worried about them while they were in her care.
