“ Randy and Donna were special in my life. I knew them since they met. I did the reception for there wedding. Randy rebuilt my sons truck. There are a lot of good times together. Miss both of them.

“ I have nothing but the fondest memories of Uncle Randall:
1) Harassing me to no end about my lack of common sense despite having three college degrees 😂
2) His attempt to talk my hubby into running away on our wedding day and go fishing with him instead of marrying me. 🤪
3) More recently (since Mom died) he and I have been texting. I would send him pics of deer and rabbit in my back yard. He would immediately send me recipes to use them in. 😍
Love you, Uncle Randall. See you on the flip side.
