“ *I learned of Randy's passing after the funeral was over. Had I known, I would have been there. Randy and I served on the Philadelphia Vol. Fire Dept. together. He was a good man and a better friend. He will always be in my memory and prayers.

“ *Nancy, Tracey and Kevin -
I'm so sorry for your loss. I'm sure that it was as hard for Randy to leave his family behind as it was for you all to let him go. I just pray that God comforts you in the days to come.*

“ *When I think of Randy I think of every time I seen him he was smiling. He was outgoing and would help you in any way he could. He was so friendly and I enjoyed working with him. I met Nancy when we had special lunches at the Extension office. Randy will be greatly missed. You are in our thoughts and prayers.*
