“ *I loved our visits, chats, texts, phone calls. You and I could get tickled over the funniest things. Enjoyed having white chocolate mocha with you, chocolate covered Cherries in Target while waiting for Shirley to shop, Mexican food, Cheddars Onion Rings but most of all I loved your friendship and willingness to listen and talk about anything! We love and will miss you. I pray I can encourage, support and love your kids and grandchildren like you did my kids and me. Thankful to have you in our lives.*
