“ *Just found out you are gone, dear lady. As Rayna's neighbor for many years, I can say she was a wonderful friend who will be sorely missed. We recently moved and I just came across this today. I worked with Rayna at the hospital several years prior to becoming her neighbor and she was always a joy to be around and shone with such light. My children loved. "Ms. Rayna" as well and we have missed her greatly since moving to our new home. My condolences to the family and may God comfort you and give you peace.*
